Dear Damian,

On behalf of St. Mary's parish, I wish to thank you and commend you and your associates for the beautiful stained glass windows depicting the *Misicun of Christ and Mary, Mother of the Church*. I appreciate the guidance you gave to our design committee, always respecting our ideas and gently helping us refine them. Because of this approach, the windows are truly "ours" and at the same time are real works of art.

Remembering how impressed our committee was by the tour of churches where your artistry is incorporated, I encourage you to extend an invitation to prospective clients to visit our church and see how much your windows have enhanced our worship space.

Sincerely yours,

Rev. Thomas C. Gilles
